Dear Parents/Caregivers

Mrs Nilon will be finishing here at school this Friday 4th November to go on maternity leave. Miss Maddy Hopkins will be taking the Binging class for the remainder of the year and for 2023.

Caniaba PS takes feedback from our parent and community seriously and we certainly act on this feedback where we can. We are once again asking you to complete our annual Tell Them From Me survey. We require **at least 10 responses** to receive a report. To date we have only had **6 responses**. The link to the survey is below and on Class Dojo as an easier way for you to access it. Thank you in advance.

This term we have two full-day **2023 Kindergarten Orientation Days**. Please pass these dates onto anyone you know who may be starting school in 2023.

Our Year 6 Farewell, Formal Assembly and Christmas Tree night date has changed to **Wednesday 14th December**. My apologies for having the correct date but not the correct day in last week's newsletter.

I am in Sydney until Friday this week attending the Australian Primary Principal's Association Conference.

Reflecting on the challenges of the last few years, the NSW Department of Education is in the process of reviewing and evaluating what school success looks like now and in the future. It's enhancing ways to support student success and wellbeing as part of ongoing school reform. The goal is to support our schools in a way that is more responsive to their needs and priorities.

To inform this work, the department is inviting parents and carers to share their perspectives on what the school and the department could do to improve the schooling experience. By participating, parents and carers will inform the department what is working well, what needs to be improved, and will be involved in shaping new and innovative initiatives.

If you would like to be part of the discussion, there is a forum being hosted at Goonellabah Education Office on **Monday 14th November, 8:45am – 9:45am**. Please register asap to secure a place. **Register:**
