Dear Parents/Caregivers

Our final full-day Kindergarten Transition for 2023 has been a great success with some very engaging activities in Binging Class. Our current year 6 students complete their Transition to High School today and we look forward to hearing about their day.

Thank you for your quick return of notes for our special excursion to Ballina Ten Pin Bowling and Water Slide this Thursday. Please find a reminder note with final details attached to this newsletter.

Binging Class have been working on water colour and space and their beautiful artworks are displayed in the office. The Kindergarten children are reading *Are We There Yet?* By Alison Lester and students in year 1-3 are enjoying reading *The Ironman* by Ted Hughes.

Budabi Class have almost completed their PIPs and we are very happy to share some photos of the student's presentations with you. The variety and depth of the information presented has been amazing. Some of the topics presented so far include Excavators, Weapons of WWII, Pressure Cleaners, Japanese and Thai Food, Flying First Class, Elephants, Solar Cars, Apes, Koalas, Sharks, NRL and Chemistry. Props have included real and designed machinery, a Holden Commodore and even a Blue Tongue Lizard. Every student has presented an Inquiry question and answered this in their presentation.

Next Friday 9th December, we will be holding a general Assembly to celebrate birthdays and hand out classroom awards at 1.45pm. Parents are welcome to attend.

Uniforms

If any family's wish to use their Education Hardship Funds for the purchase of uniforms before the end of this school year this needs to be done by the end of the school day on Friday 2nd December (week 8) for administrative purposes. After this date it will not be possible, and purchases will have to wait until Term 1 2023.

We thank you for your cooperation,
P&C team
